An act to add Section 97 to, and to add and repeal Section 97.2 of, the Streets and Highways Code, and to add Section 42010 to the Vehicle Code, relating to highways.-

LEGISLATIVE COUNSEL'S DIGEST

SB 283, as amended, Maldonado. Safety Enhancement-Double Fine Zones.

Existing law vests with the Department of Transportation, full possession and control of the state highway system. Under existing law, until January 1, 2006, a specified state highway segment has been designated as a Safety Enhancement-Double Fine Zone that is subject to rules and regulations, as specified, adopted by the department pertaining to those zones.

This bill would specify standards for the administration of Safety Enhancement-Double Fine Zones and would designate, until January 1, ~~2010~~ 2009, a specified segment of State Highway Route 101 and County Road 16 in Monterey County as Safety Enhancement-Double Fine Zones. *The bill would also require the Department of Transportation to, by January 1, 2008, prepare an evaluation on the Safety Enhancement-Double Fine Zone and submit a report to the Legislature.* Because the bill would require Monterey County, in part, to administer the county road zone, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. Section 97 is added to the Streets and Highways  
2 Code, to read:  
3 97. (a) A Safety Enhancement-Double Fine Zone is subject  
4 to the rules and regulations adopted by the department

7 increased penalties apply for a traffic violation committed within

11 Enhancement-Double Fine Zone shall place and maintain

13 Safety Zone Region Begins Here” and a “Special Safety Zone  
14 Ends Here.” The department shall adopt rules and regulations for  
15 the administration of a Safety Enhancement-Double Fine Zone  
16 under this section.  
17 (c) A Safety Enhancement-Double Fine Zone does not  
18 increase the civil liability of the state or local authority having  
19 jurisdiction over the highway segment under Division 3.6  
20 (commencing with Section 810) of Title 1 of the Government  
21 Code or any other provision of law relating to civil liability.

28 (e) The projects specified as a Safety Enhancement-Double  
29 Fine Zone shall not be elevated in priority for state funding  
30 purposes.
